

Bibliography

General note: In addition to consulting the books listed below, and gratefully receiving considerable data from family and friends, information has been obtained from the libraries and records of many organisations. These include the State Library of New South Wales (and the Mitchell Library) in Sydney, the State Archives of New South Wales, Sydney, the State Archives of Western Australia (J. S. Batty Library), Perth, the Kogarah Public Libraries at Kogarah and Oatley, Sydney, the John Oxley Library in Brisbane, the library and journals of the *Royal Australian Historical Society*, Sydney, the libraries of the Society of Australian Genealogists, Sydney, and the Society's Journal, *Descent*, and at the Court House Museum of the Paterson Historical Society, Paterson, New South Wales. Where that information has been referred to in the text, the reference notes provide details of the source. Some of that information has been found in newspapers, journals and magazines, many of which including indexes are available at a number of the libraries mentioned, and where included in the text, the references are provided where known.
